CONSTITUTION PARTY NATIONAL CONVENTION PROGRAM

The program will be presented to all delegates and visitors attending the 2012 Constitution Party National Convention. Taking place only once every four years, the National Convention is the largest and most important Constitution Party gathering. This is the event where the Presidential Candidate will be selected and the 2012-16 National Platform will be adopted.

This is your chance to reach like-minded Constitution Party members with your message!

Use this opportunity to:

★ Promote your business ★ Showcase your state party ★ Endorse your pick for President ★ Send a greeting to the delegates ★ Remember a fallen hero of our cause ★ Motivate with words of wisdom ★ Send a thank you

The program will be printed in standard 8 ½" x 11" glossy magazine format. Ad space is available in black and white or full color. Use your camera ready artwork or send us your idea and let our staff produce the artwork for you at no charge.
