I want to join the Howard Phillips Legacy Society (check amount below).

\$12 monthly pledge or **\$36 a quarter**: Receive the VICTORY REPORT published exclusively for members of the Howard Phillips Legacy Society.

\$20 monthly pledge or **\$60 a quarter**: Receive the VICTORY REPORT, **plus** a free copy of *The 5000 Year Leap: A Miracle That Changed the World* by W. Cleon Skousen (a \$19.95 value). The *New York Times* calls Skousen “the constitutional guru of the Tea Party movement.”

\$30 monthly pledge or **\$90 a quarter**: Receive the VICTORY REPORT, a copy of *The 5000 Year Leap*, **plus** a one gram 999.9 pure silver ingot especially created for the Constitution Party. It is a valuable keepsake and a unique way of showing that you believe America must return to a constitutional monetary policy.

\$50 monthly pledge or **\$150 a quarter**: Receive the VICTORY REPORT, a copy of *The 5000 Year Leap*, a silver ingot, **plus** the unique book, *The Bulletproof George Washington*. Washington’s part in a July 9th, 1755, battle in the French and Indian War is indisputably one of the most significant events of his early years. Of the eighty-six British and American officers on the battlefield that day, sixty-three were casualties — Washington was the only officer on horseback who was not shot down. You’ll read his personal account of the battle and excerpts from his letters to his family where Washington tells them of God’s deliverance.

\$75 or more monthly pledge or **\$225 or more a quarter**: Receive the VICTORY REPORT, a silver ingot, *The 5000 Year Leap*, *The Bulletproof George Washington ... plus* the DVD “A More Perfect Union,” an inspirational full length movie that dramatically portrays how the Founding Fathers crafted the Constitution. Shot on location at Independence Hall, Williamsburg, and other historical sites ... **and** the *Catechism on the U.S. Constitution*. First published in 1828, this is a timeless study of America’s great Charter of Liberty using one of the oldest teaching methods ever invented — asking questions — used so extensively by the famous Greek philosopher Socrates.
